

The Domestic Abuse Fund

Guidelines for applying for a grant

If you have been affected by domestic abuse and as a result are struggling financially or don't have money to meet an essential cost, we're here to help.

Domestic abuse is an incident or pattern of incidents of controlling, coercive, threatening, degrading and violent behaviour, including sexual violence.

Our funding can support you in many ways, including help with housing costs, items for your new home, food and daily living expenses, childcare costs and much more.

If you need financial support and want to discuss how we might be able to help, please contact Cavell's Support Team by email support@cavell.org.uk or by telephone 01527 595 999.

The Domestic Abuse Fund is delivered through a partnership between the Burdett Trust for Nursing and Cavell.

Who can apply

Registered nurses, nursing associates or midwives.

Unfortunately, we cannot accept applications from individuals living outside of the UK, healthcare assistants, carers or student nurses.

If you have more than £4,000 in household savings including money in savings and current accounts we will be unable to provide financial assistance.
